to Senior, PGIM, PGIM, PGIM, Asst.Registrar, Director, Deputy, me

Dear Mrs. Anusha and Mrs. Anjana,
Thank you for all the responses. Further to the previous email, a zoom link has already has been shared and what I requested is a quiet place with wifi facility to do the lecture as I cannot return back home after finishing exam duty at 12:00 pm to start the lecture at 1:00 pm and transport is unavailable as tomorrow is a holiday. If examination duty can be facilitated on Wednesday and a Senior lectuer who has to do a lecture right after the exam duty cannot be facilitated for an online lecture, do you expect them to do the lecture sitting on the road? Is this how you facilitate the work administratively?
Mrs. Anjana, the research methodology workshop comes under MERC, which is administratively under your supervision, if you want the lectures not to be conducted on Wednesdays, get the lectures rescheduled based on the availability of the resource persons without the lecture sequence being affected. And inform the trainees to cancel and apply for leave for the remaining 4 days, as these are things beyond my duties.
Thank you,
With kind regards,

Dear Mrs. Anjana,
Thank you for your email.
It was decided to conduct the short course on research methodology on advise by the Deputy Director. The short course on research methodology is done thrice a year, by PGIM, advertised in December in advance for the trainees to get leave. And we cannot cancel the sessions on Wednesdays as the lecture sequence gets affected and all the lectures will have to be rearranged and resource persons may not be available. Therefore, Prof. Pandula advised to continue the lectures as much as possible online even on Wednesdays and and complete the 6 day course.
Thank you for uunderstanding.
With kind regards,

Dear Madam,

As instructed by the Director none of the workshops, study days, or any event including lectures physically will not be scheduled on Wednesdays as the Government has declared Wednesdays as a Holiday until further notice.

Therefore, it is much appreciated if you could arrange this as a full online lecture. A zoom link will be facilitated by the IT Unit. Otherwise it is much appreciated if you could arrange it on another day which is not a Wednesday.

Your cooperation is much appreciated.

Thank you.

Dear Mr. Christy,
Welcome to PGIM and I hope that you are getting accustomed to the environment here.
Tomorrow (25th of March 2026), I need to use the Consultants' Lounge at Main Premises to deliver a session for the short course on Research Methodology (conducted by PGIM) from 1:00 pm -4:00 pm. In the morning, I have exam invigilation at the Main premises for the Health Sector Disaster Management exit examination and therefore, I will not have sufficient time to go to the Academic Center to conduct the lecture at my office room.
As tomorrow is a holiday, please be good enough to keep the staff/ security officers informed to keep the Consultants' Lounge at Main Premises open.
Thank you,
With kind regards,
